The Secretary to the
Chief Commissioner
of Mysore
Bangalore
Dated Mysore 5 April
1875

Sir.
In reply to the printed Pro-
ceedings of the Chief Commis-
sioner No. 9242 of 18³⁸³ Altim. on the
subject of the monopoly of Arrack
manufacture by the Ashtagram
Sugar and Rum Work Company
in the Mysore District, I have
the honour to state for the infor-
mation of the Chief Commissioner
that the Deputy Commissioner
Mysore was directed to ascertain
whether Mr. Arathood was pre-
pared to accept the contract
at 14 Annas per gallon of Spirit
19° below proof, and that as
the Chief Commissioner had
ruled that the liquor was to
be issued for sale at 22° below
proof, the Deputy Commissioner
was also instructed to enquire
what reduction Mr. Arathood
would make below 14 Annas
it

if the liquor was taken by
Government at 22° instead of
at 19° below proof -

2. Mr. Anthon has finally
agreed to supply liquor 22° below
proof to Government at 13 Annas
per gallon which has been settled
accordingly altho an offer has
been made by Mr. Davy to supply
it at 12 Annas.

The quantity of arrack
which the Company promises
to keep always on hand for
supply to Government whenever
called upon to do so is 2000
gallons - This is considered
sufficient by the Deputy
Commissioner of Mysore.

I request that the Chief
Commissioner may be moved
to reconsider his decision grant-
ing a deduction of 2 Annas
per Rupee in cases in which
more than 20 gallons of Spirit
is issued, as ^{I agree with the B. G. Commr in the thing that no need exists for this concess} the difference to
Government is a very serious
one, and there is no apparent
necessity for it - I may mention
that in practice the wholesale
vendors did not get the benefit

of the deduction as it was taken by the distillers and that the profits to the retail vendors are believed to be ample. If any doubt about this exists it might be met by fixing the strength of spirit as retailed at 25° which would enable the retailers to reduce it 3°.

The Deputy Commissioner has been requested to have the necessary bond executed by the Company at once, and make arrangements for commencing the new system as soon as possible.

Cost of the establishment proposed by the Deputy Commissioner Mysore.

Honored Sir,

The Undersigned petitioners, Madusa
Wadgar, No. 17 retail Arrack Vender in Kuyyerbadi Bussall
& other Retail Arrack Venders in the Town of Mysore
most humbly beg your generous honor to take the
following few lines into kind consideration—

The sale of Arrack, before Amance
that is, previous to the year 1862 was at the rate of
Rs. 3-8-0 per gallon in the Town and after Amance
in the time of Contract a rate of Rs. 3-12-0; after
that the Sudder Distilleries were established in Novem-
ber 1865 & the duty of Rs. 1-4-0 per gallon was fixed with
a remission of 2 Annas & the arrack was to be brought
to the Retail Shops for sale from the wholesale and
sold at the rate of Rs. 4-0-0 and a license fee of Rs. 10-0-0
paid every month to the Government; thus it was
very feasible for the Venders & Purchasers—

A license fee of Rs. 15-0-0 was, then
raised in 1870 and the duty to Rs. 1-8-0 per gallon
with the said remission; then it was also as usual and
there was no any decrease of profit to the Government.

It happened that from July 1873,
to sell it at Rs. 5-0-0 as the duty was raised to Rs. 3-0-0
and as there was loss to the Venders & Purchasers, the
duty thereto paid was returned to them from the Govern^{mt}.

and the sale carried out properly though the license fee was Rs. 20-0-0

The duty from July 1874 was fixed at Rs. 2-8-0 with the above remission and the Arrack was to be brought to the Retail shops from Wholesale and sold at Rs. 4-8-0 per gallon by which the petitioners were sustaining loss. These may be well known from the Govt. Records. Then an order was passed that no injury should be given to the Venders and Purchasers, which pleased them with the hope of getting remedy to their troubles.

Whilso, the Sudder Distilleries have been abolished with the Wholesale shops and it has been ordered that all Retail Venders should purchase Arrack from the Govt. at the rate of Rs. 4-0-0 per gallon with the Local Cops of 6 pice to a Rupee and bring it up for sale from Paulhully and sell at the rate of Rs. 5-0-0

The petitioners beg to bring to your honor's kind notice that how can they obtain their subsistence with the profit they may gain deducting the cart hire for a distance of 8 miles from Factory at Paulhully, Wastage of Arrack, Rent for the shops, license fees, oil & other Contingent expenses and how can they sell the Arrack of 25 degrees at the rate of Rs. 5-0-0 as they were hitherto selling the Arrack of 30 degrees for Rs. 4-8-0.

Such being the circumstances the poor petitioners most humbly beg your generous honor to pass an order to abolish the Local cops now introduced and confirm the duty, remission and Wholesale shops which are the only sources for their livelihood.

For which act of charity the petitioners as in duty bound shall ever pray for your honors
